Thank you for ordering your lingerie from Berlei. Your satisfaction with our product is essential, therefore, in the event you wish to return a garment, please follow our returns process outlined below:

- It is recommended that if returning part of a lingerie set, you also return the coordinating pieces so we can offer you another set in the event that your exchange size is not available.
- It is recommended that you re-use the packaging used to deliver your garment or a similar sized bag.
- Please avoid make-up or lotions coming into contact with the item. Providing the garment(s) have not been worn or washed and are returned in their original condition we will accept the return. In the interest of hygiene, we may refuse returns where this advice has not been followed.
- We do not ask for items to be sent on a tracked service but you must obtain proof of postage in case the return gets lost in transit.
- If returns are rejected because the above advice has not been followed the garment(s) will be destroyed and there will be no liability on the part of the company for refund of the cost of the goods or postage.
